

ONE PROGRAM,  
MANY BENEFITS

Per4manceRx

# Program Overview

- ▶ Predictable, guaranteed pricing on 95 acute medications and 75 maintenance medications with UPS Home Delivery
- ▶ MAP Member Assistance Program that covers a wide spectrum of personal and work-related challenges and daily living matters, from stress/family issues, to depression, PTSD, anxiety, substance abuse, legal and financial pressures, child and elder-care needs, and other commonly experienced concerns
- ▶ Dental, Vision, Hearing and Chiropractic services from over 260,000 providers nationwide, saving you up to 60% OFF. Get glasses, dental work, braces, hearing aids, and even back adjustments at significant savings!

# The Per4manceRx Offering

- ▶ We are on a mission to change the Pharmacy Industry. We offer fair and honest pricing that is the lowest available, creating significant savings each month. We have four specialties that we focus on to save you the most money.
    - ▶ Acute Medications (Immediate Need)
    - ▶ Maintenance Medications (Chronic Needs)
    - ▶ Over-the-Counter (Everyday)
- AND
- ▶ Pet Medications (For your Furry Family Members)

# Professionals You Can Trust!

Per4manceRx has a team of highly educated, well trained pharmacists (RPh and/or PharmD) with decades of clinical experience. Our pharmacists are focused on helping patients achieve the highest quality of life through medication, counseling, education and adherence to the latest pharmacology standards.

Our medications are sourced in the U.S.A.

# M A P (MEMBER ASSISTANCE PROGRAM)

IMPACT Solutions is widely recognized as a leader in the MAP Field.

The IMPACT MAP covers a wide spectrum of personal and work-related challenges and daily living matters, from stress/family issues, to depression, anxiety, substance abuse, legal and financial pressures, child and elder-care needs, and other commonly experienced concerns.

## TELEPSYCH SERVICES

Telepsychiatry is an innovative practice that applies telemedicine to the field of psychiatry. We can deliver psychiatric assessment and care via video conferencing from a computer, tablet or phone. Telepsych allows professionals to be available virtually anytime, anywhere and helps patients enjoy privacy in their own home.
